

# Sunday Brunch

9-1:30 pm

We offer an extensive menu to satisfy any appetite, and your eyes will love it too! We have beautifully edible arrangements of fresh fruits, berries and grapes, imported and domestic cheeses, and hand carved fruit displays. Breakfast items include fruit-filled pancakes, pastries, croissants, assorted muffins, Danish, breakfast breads, maple sausage, apple smoked bacon, and Eggs Benedict. Our chefs will prepare you an omelet of your choice or Belgian waffle made to order!

Sample our poached salmon platter, fresh tossed garden salad, potato and pasta salads. Some of our Lunch and Dinner entrees include haddock au-gratin, stuffed chicken, Italian specialties and pastas, mashed red bliss potatoes, sautéed vegetables and herbed bread stuffing. Feast on hand carved turkey and roast beef at our carving station.

Save room for something sweet... an entire table of fresh fruits and desserts, featuring our 36 inch tall chocolate fountain flowing with smooth Belgian chocolate!!!

Many of our items rotate weekly, so you may just have to come back to see what the cook has created this week!
